**TEMPE NEWS NOTES**  
**MORE PLANS FOR NEW TEMPE PUBLIC LIBRARY**  
Keen Interest at Meeting Yesterday Afternoon—Committees Appointed  
That Tempe is soon to have a public library and free reading room is a fact that was well established at the meeting of the newly organized library association held at the city hall yesterday afternoon. There was an attendance of over twenty interested members of the association and every one showed the enthusiasm in the work that makes it a safe saying that there are not many weeks to pass before the new library will be open to public use.  
At the meeting last evening committees were appointed as follows by the president, E. A. Howe: Publicity and co-operation, J. O. Mullen, Horace Griffen, Mrs. J. W. McLain; committee on books, Miss Ruth M. Wright, Mrs. G. C. McNary and Miss Emma B. French; finance, Dr. R. L. Alexander, J. L. Felton, and R. A. Windes; ways and means, Mrs. H. G. Corson, Wilbur Fisk and Mrs. J. B. Griffen. The first named of these committees are in each case chairman, and by virtue of their appointment, are together with the officers, Mr. E. A. Howe, Mrs. O. C. McNary and Mrs. J. F. Hall, members of the executive board. The board has been given the power to act, and as rapidly as the committees can get their work underway and make their reports, business will begin to pick and the first signs of the new library will loom into sight.

**CARD OF THANKS**  
We wish to extend our sincere gratitude to our neighbors and friends for their many kind acts and words of sympathy during the illness and death of our dear mother and grandmother.

MR. AND MRS. CHAS. B. WOOD AND FAMILY.

**ENTHUSIASM IN CLUBS**  
Interest in the organization of boys and girls industrial clubs has greatly increased in all of the local country schools during the last few months, according to Professor J. B. Griffen of the normal and Mr. Leland S. Parker, state club organizer, who yesterday visited the Rohrig, Scottsdale, Jordan, Rural and Kyrene rural schools. An effort has been made to arouse more interest in the boys' cotton club contest and the movement has met with popular favor everywhere—the members of last year's club are more enthusiastic and many new members are being booked for this year's contest.

H. Sargeant, and Mrs. Huber, tomorrow evening. The representative in oration, Miss Vivian Moser, who will be in Tucson University week to uphold the honors of Tempe high, will appear on the program tomorrow evening with her selection. A third representative of the high school, this time Miss Ada Turner, who is to take part in the annual Tempe Normal Student Declamatory contest to be held at the normal on the night of the 26th of this month, will also render a selection as a part of the program. There are various other attractions for tomorrow evening, all of which will be given free of charge, and to which the public has been cordially invited to attend. The program will commence promptly at eight o'clock.

**HORSE RACING THE GO**  
The ability of one horse to outrun another has been quite the current discussion in Tempe during the past few days, and as a result several horse races have been pulled off. Quarter mile races are the topic and already three or four have been run, which in each case has tended to prompt another match. The greatest event yet, is a race scheduled for the fair grounds at a near date, to be run by a horse owned by E. H. Coper of Tempe and a Phoenix horse.

For a number of years Valenzuela was owner of the Tempe House and his interests in various other business enterprises of the town well established his standing as among the best of the Spanish class. **MESA NEWS NOTES**

**STATIONARY POLICEMAN ORDINANCE VIOLATED**  
Attempt to place Mesa in Metropolitan Class Causes Several Arrests  
It's a long, long way to Tipperary. Likewise it is a long way around the stationary policeman who stands, or rather which stands in the center of the intersection of Main and Macdonald streets and around which vehicles whether driven by motor power or propelled by horses are supposed to turn. The Mesa streets are laid, very broad, all of which makes the silent minion of the law standing away out there like a sleeping sentinel seem all the more easily avoided. The temptation is said to be very great to turn the corner in the old fashioned way and get to the postoffice a half minute sooner. However, it has been proven that the longest way round is the shortest way home, especially when the shortest way leads to a disregard to the city ordinance which provides for a trip to police court and the production of several shining simoleans for those who are so blind that they won't see the stationary policeman.

Paul Baxter Beville was one of the early ones to cut the corner and cross the dead line by smashing a brand new city statute into several fragments. Mrs. J. P. Beebe wandering along in a vehicle drawn by old Dobkins also trespassed upon the thou shalt not precinct and was likewise notified to appear before his honor, Judge Irwin, and explain how it happened. "Cats" clasp on a chug bike missed the main chain and likewise the proper course by several yards and was told to see the judge. Another defendant by the name of Johnson is also to appear and explain how it happened. The cases are to come up at ten o'clock this morning in Justice Irwin's city court this morning when it is presumed that the merits and demerits of the ordinance will be given a tryout.

**SHEEP SHEARING CAMP**  
S. W. Bowen, who for a number of years has annually sheared hundreds of sheep, is building his corral and pens east of the Eastern canal and will be ready within a few days for work. The desert feed was never better and hundreds of head of sheep are being relieved of their fleec within a few miles of Mesa. The large shearing station at Fred Rabb's place on the Roosevelt road is attracting many sightseers where the shearing is done by power machinery.

**CARLOAD OF MILCH COWS**  
Joe Locharnini, who is at the head of the Swiss colony in the vicinity of Gilbert, arrived Saturday with a carload of carefully selected milch cows which he purchased in Lower California.

**PURCHASED ORANGE ORCHARD**  
A deal has just been completed whereby L. E. Brady, a member of the faculty of the Evans school becomes the owner of five acres of the W. A. Tway orange grove located in the Naranja district. The trees are now one year old and have made a splendid growth and are in prime condition.

**WILL PLAY CHINESE STUDENTS**  
A portion of the Mesa baseball team has been engaged to join the Phoenix aggregation which will play the Chinese University student team next Sunday at Riverside park. Dode Morris in all probability will be behind the bat and Rollie Pomeroy has been engaged for centerfield.

**ATTEND FASHION SHOW**  
A large number of Mesa people went to Phoenix last night to attend the fashion show which has been made an annual event. The roads are in splendid condition and the trip was ideal with the attraction ample to well repay the out of town guests.

**ACCIDENT NARROWLY AVERTED**  
A disastrous accident was narrowly averted on the Roosevelt road five miles on the other side of Fish Creek Sunday when the car driven by W. A. Burton suffered the breaking of the knuckle joint and started to plunge headlong over a cliff. By rare good fortune the car was stopped on the edge of the precipice and Frank Vance who was a member of the party alighted and by sheer strength prevented the machine from making the plunge. Later a rope was secured and the car pried back into the roadway. The news reached Mesa that the front axle was broken and the needed repairs were dispatched at once.

**SUNDAY AT ROSEMORE**  
A dinner was enjoyed Sunday at Rosemore mine with Mr. and Mrs. Sam Smith as the hostesses. The guests report a delightful and that the day was ideal for the thirty-five mile drive. Those who made up the party were: Dr. and Mrs. Randall of Florence, Fred Wright of Florence, Mrs. Craig of Phoenix, and Mrs. and Mrs. Pattee and son Harold, Mr. and Mrs. L. W. Sullivan, Mr. and Mrs. R. E. Steele, Mr. and Mrs. W. N. Amos, Mr. and Mrs. L. H. North, Miss Grace Hill and Lyle North.

**PURE BRED CHICKENS**

**VISITING BROTHERS**

**GLENDALE AGAIN VICTORIOUS**  
The Glendale high school again carried off the honors winning from Mesa high, 6 to 5, in the ball game played on the local grounds last Saturday. Mesa got seven hits to Glendale's six, but had six errors to the locals three. Glendale made thirteen assists to the visitors ten. Mathews, Longmore and Diel were the battery for the Mesa team, with Grassie and Pitts for the locals. The game was umpired by Mr. Osborne of Phoenix. An attendance of close to two hundred witnessed the game. Next Saturday the Indian school will play the Glendale high on the local grounds.

**ENTERTAIN FOR FRIEND**  
Mr. and Mrs. LaFayette Myers entertained quite a number of the young people at their pretty home on North Fourth avenue Saturday evening, in honor of Miss Anna Walsh, who leaves shortly for her home in Wisconsin. During the evening several musical numbers were enjoyed, dancing also being a feature of the evening. Delightful refreshments of sandwiches, coffee and cakes were served.

A number of the Glendale boys have issued invitations for a dance and card party to be given March 17, at the Woman's club.

**FARMERS' UNION**  
A delegation composed of Chas. Gilbert, G. P. Van Marel, James Hudson, Robert Logue, and several others visited the Phoenix chamber of commerce Saturday morning.

**GLENDALE BRIEFS**

Miss Rebecca Brooks is recovering very fast from her serious burn a short time ago. Mrs. J. G. Brooks and other daughter, Mrs. Marguerite, have completely recovered. A number of the Glendale young folks attended a dance given in the West End school house last Friday evening. L. A. Moore enjoyed a visit from his father, Hon. A. A. Moore of Walnut Grove, last week for a few days. Mr. Harpole has acquired the interest of William Barry and has moved his jewelry store to room No. 1 in the Sine block, where he will be glad to greet all his old friends.
